

The Smash Room

T's & C's

WHAT TO EXPECT?

- Everyone needs to sign the indemnity form.
- Wear older clothes, tekkies with socks, and pants.
- Protective gear will be provided.

The Smash Experience:

1. Smash Car (Outdoors):

- You'll start by smashing windscreens on a car.
- 4–5 people can smash on a rotation basis (front and back windscreens).

2. Smash Stations (Behind the Car):

- The rest of the group smashes items like electronics and tumble dryers in a spacious area.
- Up to 10 people can smash at a time in a safe, controlled setup.
- Rotation happens between groups, so everyone gets to do everything.

Inside the Smash Room:

- Once everyone has smashed outdoors, they go inside to smash glass bottles.
- There are 2 rooms, each allowing 4 people at a time.
- Each person receives their own set of cleaned and disinfected bottles.
- The doors have special windows for videos/photos to be taken by staff.

After the Smash:

- Protective gear will be removed.
- Participants can relax and sit outside.

PLEASE NOTE:

- All broken glass is donated to RAW – Recycling for Animal Welfare.
 - (This is their way of giving back to the community.)
- You're encouraged to check out their reviews on Google or Facebook:
